- 28 January - 3 February:** Contains a "Lecture 2" resource.
- 4 February - 10 February:** Contains an "Assignment_1" activity (highlighted in yellow).
- 11 February - 17 February:** (Empty box)
- 18 February - 24 February:** (Empty box)

Annotations on the screenshot include:

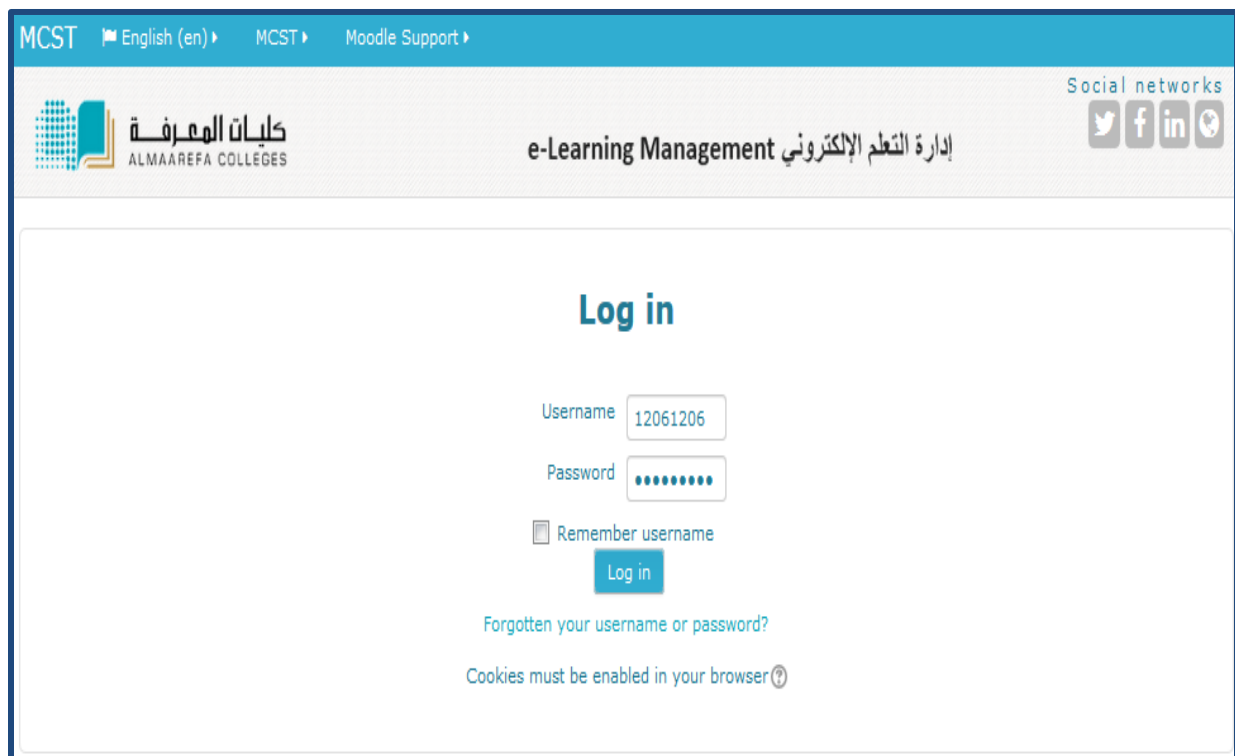

- A red box labeled "Course content" with an arrow pointing to the "Lecture 1" resource.
- A red box labeled "Assignment Activity" with an arrow pointing to the "Assignment_1" activity.
- A red box labeled "File Resource" with an arrow pointing to the "Lecture 1" resource.

The right sidebar contains sections for "SEARCH FORUMS", "LATEST ANNOUNCEMENTS", "UPCOMING EVENTS", "RECENT ACTIVITY", and "COURSE UPDATES".

How to Access Moodle

- (1) Access Moodle site <http://lms.mcst.edu.sa>
- (2) In log in page enter your username and password as sent to your email at the start of each semester
- (3) Press **Log in** button

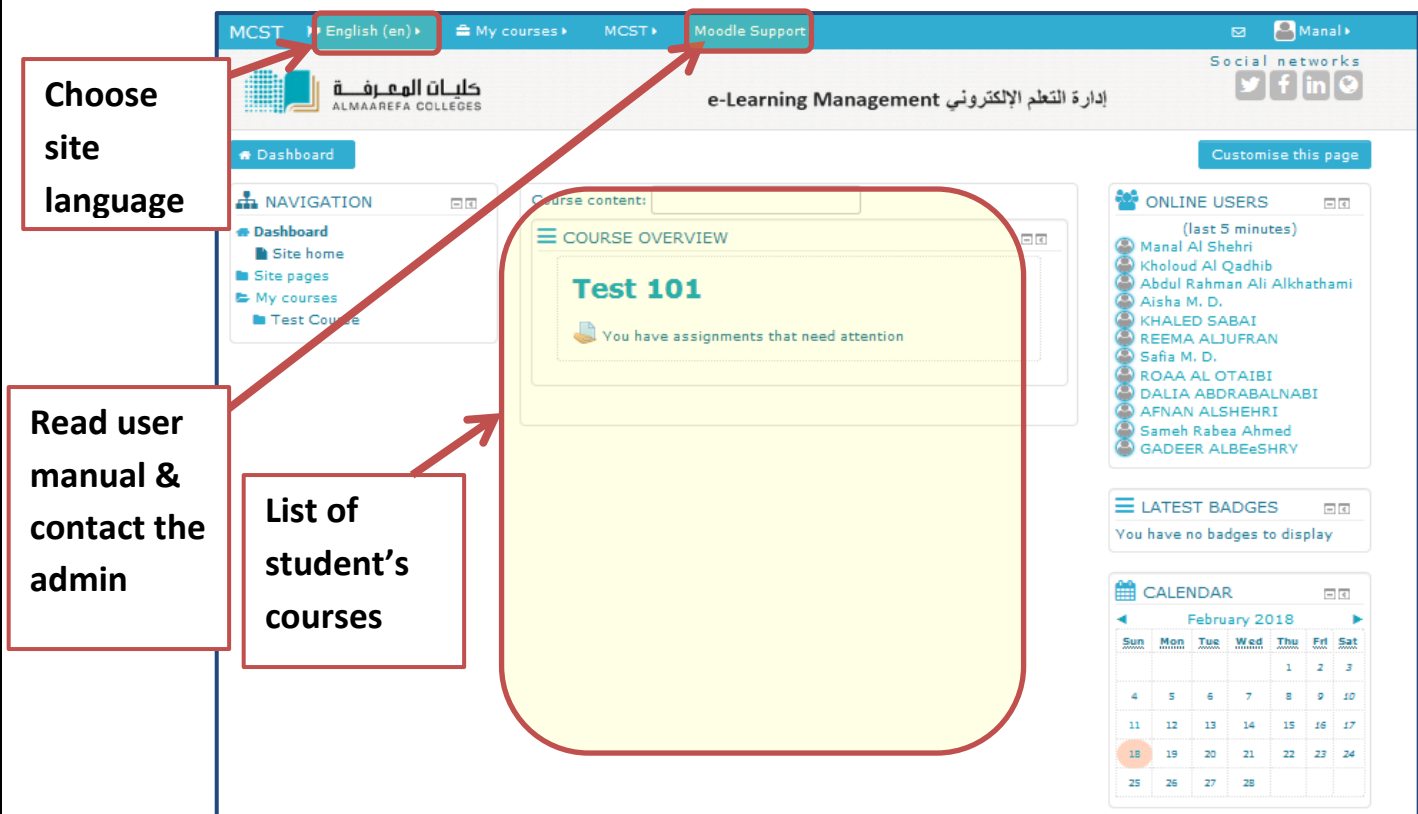

The screenshot shows the Moodle login interface. At the top, there is a navigation bar with 'MCST', 'English (en)', 'MCST', and 'Moodle Support'. Below this is a header section with the Almaarefa Colleges logo, the text 'e-Learning Management إدارة التعلم الإلكتروني', and social media icons for Twitter, Facebook, LinkedIn, and YouTube. The main content area is titled 'Log in' and contains a login form with fields for 'Username' (containing '12061206') and 'Password' (masked with dots). There is a 'Remember username' checkbox and a 'Log in' button. Below the form, there are links for 'Forgotten your username or password?' and a message 'Cookies must be enabled in your browser' with a help icon.

Dashboard

After logging in to Moodle, you will access your **dashboard**.

The Dashboard is a customizable page for providing users with details of their progress and upcoming deadlines. [\[5\]](#)

Course Page

There are many course options that determine a course's appearance and make it look very different from our examples. The example course has a header, footer (both content largely determined by a theme) and 3 columns in the middle.(6)

Following is a screenshot of an empty course page.

The screenshot shows a Moodle course page for 'Test 101'. The page layout includes a top navigation bar with links like 'MCST', 'English (en)', 'My courses', 'Moodle Support', and 'This course'. Below this is a header section with the Almaarefa Colleges logo and the text 'e-Learning Management إدارة التعلم الإلكتروني'. The main content area is divided into three columns. The left column contains a 'NAVIGATION' menu with links to 'Dashboard', 'Site home', 'Site pages', 'Current course', 'Test Course', and 'My courses'. The middle column displays the course title 'Test 101' and a list of dates for announcements: '21 January - 27 January', '28 January - 3 February', '4 February - 10 February' (highlighted with a blue border), '11 February - 17 February', and '18 February - 24 February'. The right column contains several widgets: 'SEARCH FORUMS' with a search bar and 'Go' button; 'LATEST ANNOUNCEMENTS' with a message 'No news has been posted yet'; 'UPCOMING EVENTS' with a message 'There are no upcoming events' and links to 'Go to calendar...' and 'New event...'; and 'RECENT ACTIVITY' with a message 'Activity since Monday, 5 February 2018, 10:28 AM' and a link to 'Full report of recent activity...'. The bottom of the page shows 'No recent activity'.

Resources

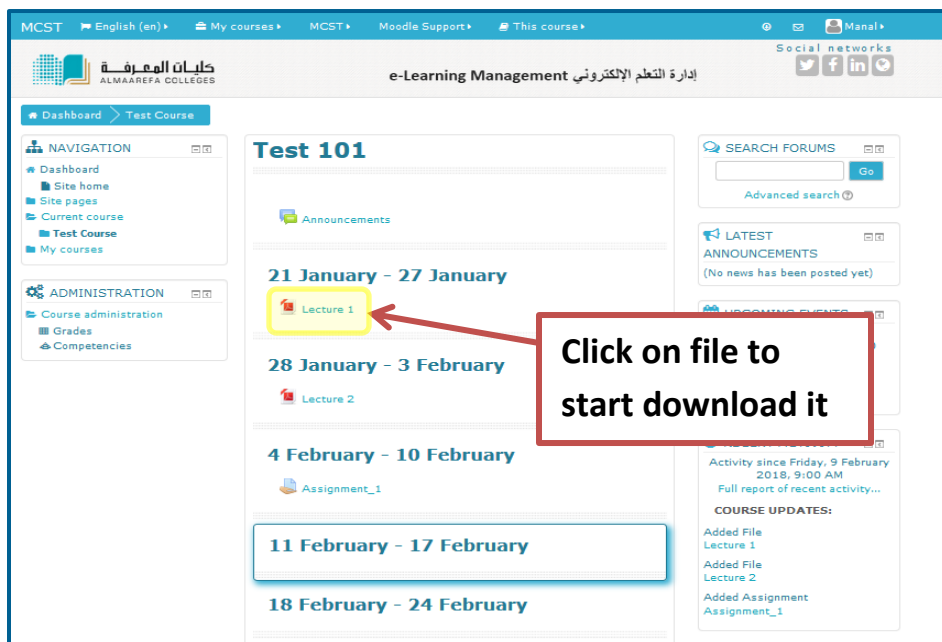

A resource is an item that a teacher can use to support learning, such as a file or link. Moodle supports a range of resource types which teachers can add to their courses. Resources appear as a single link with an icon in front of it that represents the type of resource. [7]

How to download Files

File is a picture, a pdf document, a spreadsheet, a sound file, a video file.

Click on the file to start download it.

NOTE

Based on your browser settings, the file can be opened in new tab rather than start downloading. After it is open in new tab, you can download it. And you can change your browser settings to ask you each time where to download the file.

Folders

A folder allows a teacher to display several course resources together. The resources may be of different types and they may be uploaded in one go.⁽⁸⁾

URL

A URL (Uniform or Universal Resource Locator) is a link on the internet to a website or online file.

Following table shows the icons of resources in Moodle course page.

Activities

Moodle offers a large variety of activities that are designed to help your learning. When your instructors create activities they will **name them**. This means that they will not appear as simply Assignment or Wiki etc. on the course page, but will display with a meaningful title as set by your instructor.

Figure below shows the activities block with a brief description of each activity. This is to help you familiarize yourself with the activities your course instructor may have included in your course and the associated icons. (9)

Activities

Assignments

Moodle provides several ways to track and collect work from students. You can submit files or type into a text box.

Quiz

Quizzes in Moodle are used to evaluate student understanding of material. Moodle quizzes are comprised of a *Quiz* activity that contains one or more questions from your course's *Question bank*.

Discussion forum

Instructors and students can communicate and collaborate using *Forums*, sometimes called "discussions." Instructors can create topics or, depending on the *Forum type*, allow students to originate topics, to which course members can "post" a reply.

Feedback

For creating and conducting **surveys** to collect feedback

Wiki

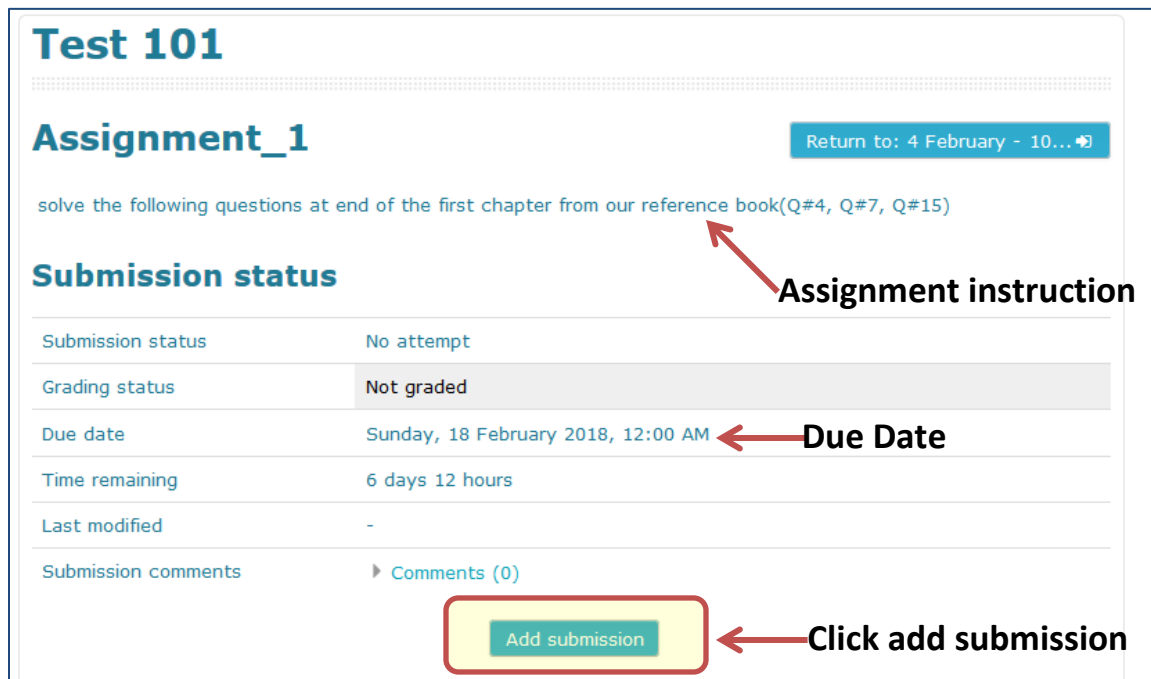

Wiki is a web page (or set of web pages) that class members can create together, working directly in the browser without needing to know HTML. A Moodle Wiki starts with one front page. Any contributor can add additional pages [\(10\)](#)

To submit a file using drag-and-drop:

- 1) Arrange your computer desktop windows so that you can view both your browser window and your files on your computer (e.g., in an open folder or on your desktop).
- 2) Drag files from your computer and release them on top of the big blue arrow in the Files area

- 3) To enter online text, type directly into the *Online text* box. Alternately, you can compose your submission in a word processing program and then cut and paste the text into the Moodle text box.(11)
