<b>General Description</b>	توصيف عام
<p>ENG 102 is based on a blend of ESL/ESP teaching methodologies. It has been developed to meet the needs of our students whose level of English is lower than what the college requires for the study of different core subjects. It is an intensive course that stretches over 16 weeks and which aims to develop skills like reading, writing, listening and speaking to help the students in their future studies at the college as well as elsewhere. The course also aims to equip the students with some academic skills such as referencing, research, team work, time management etc.</p>
