<b>General Description</b>	توصيف عام
<p>ENG 104 is a continuation of what we have been doing with our students in ENG 101 and 102. Like ENG 101 and 102, it is an integrated course which covers the four main learning skills i.e. reading, writing, listening and speaking. It is an amalgam of ESL and EAP methodologies put together to achieve two main objectives which are: 1- improving students ability to communicate in English and 2- preparing the students for their medical studies. In other words, the course main aim is to equip the students with language and academic skills necessary for the students to succeed both in their professional and academic life.</p>
